

## Purpose

The primary goal of The Antiochian Men (AMEN) is to help each other to become more like God.

The main areas of focus for The Antiochian Men are:

### Serving the Church

- We will identify the needs of our parishes and will work to meet those needs.

### Mentorship

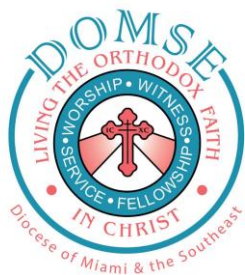

- AMEN members identified by pastors as guides to younger men will come alongside them & show them the way

### Supporting our parish priests

- We will apply the wisdom and the life contained and held within Orthodox Christian tradition and scripture to the circumstances that men face today

### Fellowship with a spiritual focus

- We will organize in-person and virtual retreats, pilgrimages, and fellowship events
- We will communicate any circumstances where prayer is needed and actively pray for those in need
